JULY 2023

PORTRAIT OF A HILLSBORO SCHOOL DISTRICT GRADUATE

# Prepared for Career, College & Life

The Hillsboro Portrait of a Graduate embodies our commitment to know, value and support every student. We will nurture each student's growth on their journey to career, college and life readiness.

## Our Plan

The Hillsboro School District's Strategic Plan was developed during a months-long process that began in August 2022 and concluded in March 2023.

Thousands of students, staff, families, and community members contributed to the development of the plan through participation in focus groups, as members of planning teams, completion of surveys, and participation in community forums.

## Our Goals for Student Success

Our Strategic Plan centers on Five Goals for Student Success, from preschool through high school. These goals will guide the work of the District for the coming years.

### GOAL #1

### Success in the Early Years

Every student will acquire the social-emotional readiness and foundational academic skills for future success.

### GOAL #2

### Safe & Supported Learners

Every student will develop the habits and skills necessary to confidently demonstrate self and social awareness, and access available resources and supports.

### GOAL #3

### Access & Opportunity

Every student will receive equitable treatment and needed supports and services in order to eliminate barriers and increase predictability of future success.

### GOAL #4

### Critical Thinking & Problem Solving

Every student will be an empowered, engaged, critical, creative thinker who demonstrates proficiency across content areas.

### GOAL #5

### Graduate Ready for Career, College and Life

Every student will successfully navigate significant transitions with access to supports to graduate from high school ready for career, college and life.
