The probationary period is nine (9) months of active employment within the job the employee was hired into. The Supervisor will provide feedback to employees regarding their performance during the probationary period. ARTICLE 8

EMPLOYMENT STATUS, POSITION VACANCIES AND ANNOUNCEMENTS

A. New Positions

In the event that a new position is created, the District will establish a tentative placement on the salary schedule and shall notify the Union of this placement, together with a copy of the job description. If the Union wishes to bargain over this placement, the Union will contact the District within fourteen (14) calendar days. The District will then enter into bargaining with the Union limited to the purpose of determining a salary placement for that particular position. Any agreement reached shall be retroactive to the date the new position was first filled.

B. Notice of Vacancies

The District shall provide the Union with written notification of any existing bargaining unit positions of more than three (3) hours, which have become vacant. A position announcement will be posted on the District website for a minimum of five (5) workdays.

C. Filling of Vacancies

1. When two or more applicants are equally qualified as determined by the District, the job will be given to a current District employee over an external applicant or between two or more current employees, the most senior. In the event a current employee is not selected for the position, the designated hiring Supervisor shall provide a written explanation at the request of the employee or the Union.

Qualifications are determined on many criteria, including, but not limited to the interview, job posting, job description, resume, training, work experience, and evaluations.

2. At the end of each month, the District shall provide the Union with the names of the current employees who applied for open positions and if they were interviewed, the number of other external applicants who were interviewed, if any; the successful applicant; and the salary placement.
3. At the conclusion of the process, all applicants will be notified that the position has been filled. In the event that a current District employee is not selected to fill a vacancy and wishes to know the reasons, the employee may request a meeting with the designated hiring Supervisor to discuss the reasons for not being selected or upon written request, a written statement of reasons will be provided to the employee. The hiring Supervisor shall be identified on the job posting.
4. Additional hours, including Limited Student Support time and temporary time, may, at the discretion of the District, be filled by any existing employee who is

AND ANNOUNCEMENTS

qualified and available. Employees who take this additional time will not be required to resign their permanent positions if the additional hours do not interfere with their current position.

5. When a vacancy becomes open that a temporary employee in the same position could fill, the District will first post that position in accordance with Section B. In the event that the current temporary employee is the sole internal applicant for that position, the District may fill that vacancy with the current temporary employee in that position without further completing a formal hiring process.

D. Voluntary Transfers

1. Employees wishing to be considered for lateral transfer within their current position to another school or worksite within the District for the following year may file with the Human Resources Department a written statement indicating their interest by February 1. The District shall consider transfer requests and notify members by June 1. If potential transfer positions become available after June 1, unfilled transfer requests may be considered up to August 15. Transfer requests then expire August 15. Temporary employees are not eligible for voluntary transfer. Positions that become vacant after August 15 must be posted and are not eligible for voluntary transfer.
2. Other lateral transfers may be requested by the employee due to extenuating circumstances. The District has sole discretion as to whether to grant such lateral transfer requests.
3. A voluntary transfer shall not be granted if it would result in a reduction of hours for another bargaining unit member.

E. District-Initiated Lateral Transfer

An employee shall be notified in writing in advance of any District-initiated lateral transfer. For purposes of this Article, a lateral transfer is defined as a change to a different building or worksite within the District within the employee's current position. Such notification shall be made ten (10) days prior to the beginning date of the new assignment, unless ten (10) days' notice is not feasible given the specific circumstances of the situation. The notice shall include the reasons for the lateral transfer, beginning date, location, assignment and job description. A copy of the notice shall be provided to the Union. Upon the request of the impacted employee, a meeting shall be held to discuss the rationale for the lateral transfer.

ARTICLE 8

EMPLOYMENT STATUS, POSITION VACANCIES

AND ANNOUNCEMENTS

F. Resignations

Employees shall provide the District with two weeks advance notice of resignation unless extraordinary circumstances beyond the control of the employee occasion an earlier resignation. The employee will be offered an exit survey from the District upon resignation. The employee may also request an interview with Human Resources and/or a Union representative.

G. Temporary Positions

The District may designate positions as temporary, in accordance with the provisions of this Section. An employee with a temporary appointment shall have no continuing employment rights after the temporary appointment is completed unless specifically mentioned elsewhere in this agreement. Temporary employees will not be given a seniority date in the temporary position; however, when a temporary employee is hired into a regular position where there is no break in employment, time spent as a temporary employee shall be credited toward seniority. Current employees who apply for and are assigned a temporary position will be required to sign a document acknowledging that they will resign the current position and are not guaranteed a regular position at the conclusion of the temporary position.

1. Positions exceeding three (3) hours per day may be designated as temporary under the following conditions:
 - a. Replacing an employee on leave for the full duration of the leave period, up to one year;
 - b. The funding for the position is limited to a specific duration such as a grant;
 - c. To address a need of temporary or unknown duration, not to exceed one (1) year.
2. The District may designate a position of three (3) hours or less as temporary. Employees who are assigned temporary positions of three (3) hours or less shall have no right to such positions following their completion unless the employee has been assigned the same temporary position for more than two (2) consecutive years, without a break in service in that position. Once the employee has been assigned the same temporary position for a third consecutive year, that employee shall have a right to be continued in that same temporary assignment in subsequent years to the extent that it continues to exist at their specific work site and can be scheduled in a manner that accommodates their regular position. Until that time, the discontinuation of such a temporary position shall not be considered a reduction in force.

5. The maximum number of sick leave days that may be received by any one (1) bargaining unit member is thirty (30) (or the number needed to get the employee to short-term disability or long-term disability, whichever is less).
6. No bargaining unit member, through sick leave donation, shall deplete their sick leave balance below ten (10) sick leave days.
7. The maximum number of hours that may be donated by the bargaining unit in a given year will not exceed 800 hours.
8. Collectively, if the bargaining unit employees donate more than the total number of hours said employee is in need of, the hours will be utilized in the order in which they were donated. Donated sick leave not utilized by the recipient shall be returned to the donating employee. In the event hours are returned to an

employee, that employee is eligible to donate those hours to other recipients, not to exceed one day at their current contracted hours.

- N. Employees shall be entitled to paid family leave in accordance with Oregon law. Until such time as paid family leave is available, employees may access the sick leave donation program for a qualifying illness or injury to a family member, as defined in A.6.
- O. Absence Due to Quarantine for Individual Employees
 - 1. When an individual employee is absent from work because they are directed to quarantine by the District or appropriate public health official due to a work-related contact, that employee shall:
 - a. Not have such absence be charged against their employee's sick leave for period of up to ten (10) days; and
 - b. Suffer no loss in pay or benefits during such period for a period of up to ten (10) workdays, provided that such quarantine is declared solely for the purpose of preventing the spread of a communicable disease to others.
 - 2. Employees may have the ability during quarantine to work their shift(s) remotely as approved by their supervisor.

ARTICLE 16

RECLASSIFICATIONS

- A. A Job Classification Committee shall be established, composed of three (3) members appointed by the Union and three (3) members appointed by the District. In the event that an employee believes that their duties, level of required skill and/or responsibility have changed significantly, so that the employee is actually performing the duties of a higher classification, the employee may apply to the job classification committee for a reclassification of their position to that higher classification on the existing salary schedule.

A reclassification request shall first be sent to all members of the reclassification committee to determine if it meets the definition of a reclassification based on predetermined requirements set forth by the committee. The committee will meet by September 1, 2022 to formulate the predetermined requirements. If the committee determines that the request does state a valid request for reclassification, the committee shall review requests made by the employee(s) that their job assignments be reclassified. The Committee shall develop and maintain procedures to be followed by employees requesting a job reclassification review of their assignment.

If necessary, the Committee shall meet on a quarterly basis to review requests submitted during that quarter. The Committee may request the employee appear. The decision of the Committee shall be final, and the employee shall be notified in writing of the decision within ten (10) calendar days. A majority of the Committee shall be required in order to change a classification.

If it is determined that a change in classification is justified, the District will either reclassify the position or restructure the work assignment to comply with the existing classification. The effective date for any salary change shall be the first of the month following the decision of the Committee or an earlier date, if agreed to by the Committee.

- B. If the reclassification is granted, the employee shall be placed on the salary schedule at a salary level closest to but not less than their previous salary and shall then receive one (1) additional step.

ARTICLE 17

REDUCTION OF HOURS AND LAYOFF

A. Reduction of Hours

1. A reduction of hours shall be defined as a permanent reduction of a bargaining unit member's non-temporary assigned hours of work that results in either of the following:
 - a. A reduction in the level of benefits for that bargaining unit member; or
 - b. A reduction of more than thirty (30) minutes of a bargaining unit member's total daily assigned work time in any one contract year.
2. In the event there is a reduction of hours as defined, such reduction will be done in inverse order of seniority within the affected position and school/Department unless:
 - a. Hours cannot be reduced from a less senior employee without impacting services to students or building/Department needs; or
 - b. A less senior employee has unique skills or job responsibilities which are required for the position and which cannot be learned by a more senior employee in the position within a reasonable amount of time (generally ten (10) days).
3. A bargaining unit member who experiences a reduction of hours as defined by this Article may elect one of the following:
 - a. Accept the reduction in hours and remain in the current assignment;
 - b. Transfer to an open position, as determined by the District, at another work site in order to maintain their hours; or
 - c. Bump a less senior bargaining unit member occupying the same position at another work site. If there is no less senior employee within the same position, the employee experiencing a reduction in hours may bump into another position within the same classification.
 - d. If the employee chooses to remain in the employee's current position following a reduction in hours resulting in a reduced level of benefits, the level of District contribution for the employee's benefit package shall not be changed until the end of the calendar month following the month in which the reduction in hours takes place. Employees will be notified of benefit options in the event of a loss of hours.
 - e. If hours are subsequently restored to a department or school within twelve (12) months of an employee choosing to remain in the employee's current position, the District will attempt to reinstate the hours to the

ARTICLE 17

REDUCTION OF HOURS AND LAYOFF

affected employee(s) before hiring additional staff in the position within the department or school.

- f. Section A. 1. B. shall not apply to bus drivers, bus attendants and Nutrition Services during the first forty-five (45) calendar days of the school year. These forty-five (45) calendar days are considered the adjustment period for these Departments. Any reduction of hours outside the forty-five (45) calendar days will follow the terms of this Article.

B. Layoff

1. A layoff shall be defined as the elimination of a position resulting in the loss of employment by a bargaining unit member for non-disciplinary reasons.
2. In the event layoff becomes necessary, the District will notify the Union in writing, in advance, and the parties will meet to discuss ways of avoiding layoffs. Such notification will be given at least thirty (30) calendar days before the start of the next school year when the reduction is to be in the next school year and at least fourteen (14) days when it is to be in the current school year.
3. When layoffs remain necessary following the discussion above, the District will consider employees' requests to take voluntary layoff until the necessary reduction is met. If voluntary layoffs are not accepted or do not meet the necessary reduction in the workforce, additional layoffs shall be made. The District shall notify the Union of any employees electing to take a voluntary layoff.
4. Layoffs shall not affect permanent bargaining unit employees until the District has laid off temporary employees first, then probationary employees holding positions in the affected classifications.
5. Layoff will be in the inverse order of seniority District wide, within the affected position (as shown on the bumping chart attached to this Agreement). However, a less senior employee may be retained, and the next senior employee laid off, provided the least senior employee possesses skills and/or abilities the more senior employee does not possess and which are relevant to the position and which cannot be learned by a more senior employee in the classification group within a reasonable amount of time (generally ten (10) days).
6. The District shall notify the Union in writing of any processes, which result in a less senior employee being retained over a more senior employee.
7. An employee who is laid off shall be entitled to "bump" the least senior employee in any other position in which that employee has worked, or in a lower position in the same classification the employee works or has worked, with the equivalent number of hours or fewer, provided the employee's experience and qualifications meet the requirements of the position. An employee who wishes to exercise the employee's

ARTICLE 17

REDUCTION OF HOURS AND LAYOFF

bumping rights must notify the District within five (5) working days of notification of the employee's layoff status.

8. Employees designated for layoff shall be given at least fourteen (14) calendar days of written notice of layoff. A copy of such notice will simultaneously be sent to the Union. This notice does not apply to an emergency of less than two (2) weeks in duration.

C. Recall

If the District determines to fill a vacancy in a position for which there is an individual on the recall list, the following procedure will be followed:

1. Employees will be recalled in the inverse order of layoff to a position held prior to layoff. An employee who is offered return from layoff to a lower position than the one previously held shall have the right to reject such assignment and will not forfeit any rights to recall as stated in this Article of the Agreement. If the employee accepts recall to a lower position, they shall remain eligible for recall to the position held at the time of layoff for the duration of the original recall period.
2. The District will notify the employee to be recalled by certified, return-receipt mail at the employee's last known address. A copy of the notice will be sent to the Union.
3. Recall rights will terminate twenty-seven (27) months following the effective date of the layoff. It is assumed the offer of a position is rejected if the laid off employee or the employee's agent does not respond within seven (7) calendar days of receipt of the job offer or if the employee cannot be reached at the address of record as maintained in the District's Human Resources office.
4. In the event the employee is unavailable, it is the employee's responsibility to notify, in writing, the District and the Union of the employee's designated agent and contact information.
5. Employees recalled to a position consistent with the terms and conditions of this Article shall have all the benefits earned prior to layoff and seniority restored at the time work is resumed with the District.

D. Data Sharing

The employer will provide the Union the following information relating to staffing, reductions and/or lay-offs, on an annual basis:

1. Copies of staffing sheets, including pre and post reduction of hours and/or lay off.
2. List of all voluntary and involuntary transfers including hours and locations.

ARTICLE 18

The employee's job description, and any goals or direction as established by the Supervisor and related to specific job duties, shall be the basis for the performance evaluation.
- B. The Supervisor or appropriate Administrator shall privately review the evaluation with the employee and provide the employee with a copy. The employee shall sign the evaluation acknowledging receipt. If the employee has objections to the evaluation, they may file a written objection, and have it placed in their personnel file and attached to the relevant evaluation.
- C. An employee may request to be evaluated in a year that they were not scheduled to be evaluated. Such request must be made within thirty (30) days of the beginning of their contract year.
- D. The performance evaluation is not intended as a substitute for counseling or discipline in the normal course of day-to-day job performance and conduct.

ARTICLE 19

Employees with concerns about health or safety should present those concerns to the employee's Supervisor, and to the site safety committee to discuss and identify solutions, which include, but are not limited to additional staff training, additional staff support or resources, and the identification of a safe place to appropriately support students with disruptive behavior.

- G. First Aid Cards
 - 1. Employees who are required to have First Aid cards will have all costs incurred paid by the District.
 - 2. In the event that the First Aid class extends beyond the employee's normal workday, the employee shall be compensated at their regular hourly rate, unless the time qualifies the employee to be paid overtime. In that case, the terms and conditions of overtime become applicable and the employee is paid accordingly.
- H. Special Clothing and Equipment
 - 1. The District will provide laundered coveralls in proper sizes for employee use at the following workstations: Transportation/shop personnel, and District Maintenance.

ARTICLE 19

SAFETY AND HEALTH

If a disagreement exists between those two parties, the District Superintendent shall make a final decision.

To receive reimbursement, an employee must provide verification of successful completion of the work. If agreeable to the provider, the District will make direct payment to the provider to cover registration fees, etc.

Employees may initially apply for one thousand dollars (\$1000) in any one year and may request additional funds, up to five hundred dollars (\$500), a total of fifteen hundred dollars (\$1500) after June 1, if any funds remain in the Professional Improvement Fund. Approval for additional funds shall be based on the criteria stated above and shall be on a first come, first served basis. Official personnel files of any employee in the bargaining unit (e.g., the personnel office file, business office file, and any grievance, investigatory or medical files) shall be maintained in the District's Human Resources Department. 1. If discipline results, the decision shall be communicated in writing. The unit member shall be informed of the discipline being imposed and the reasons for the disciplinary action.

- C. The District will notify the employee when any meeting is scheduled for the purpose of investigating and/or administering discipline or giving notice of dismissal. ARTICLE 24

GRIEVANCE AND ARBITRATION

A. Grievances

1. A grievance is a complaint by an employee, a group of employees, or the Union, which alleges that there has been a violation of the contract or application of the contract, including any Memorandums of Agreement in effect at the time of the alleged violation.
2. Each grievance must be initiated within thirty (30) calendar days of the occurrence of the cause of the complaint or when the grievant became aware of the occurrence.
3. "Days" in this Article of the Agreement shall mean District business days unless otherwise specified.
4. Group grievances shall be filed at Step 2 and Union grievances shall be filed at the level of the alleged infraction.
5. If the grievance is over an employee's dismissal or demotion, the grievant may elect to have a hearing before the School Board, under ORS 332.544, which requires that a written request be filed with the School Board within fifteen (15) calendar days of the dismissal or demotion. Should the School Board uphold the dismissal, the grievant may seek redress beginning with Step 3 of the negotiated grievance process. Should an employee choose to have a hearing before the School Board, the Union shall be notified by the District upon receipt of the written request.
6. In cases where employees have been demoted or dismissed, the grievance process shall begin with Step 3.

B. Steps for Grievances

1. Step 1 – Informal Meeting with Immediate Supervisor

The parties agree that it is mutually desired that whenever possible grievances be resolved informally at the lowest step. A discussion of the grievance shall be conducted by the grievant, their Union representative (if requested by the grievant), and the Supervisor or appropriate Administrator to seek grounds for resolution of the problem.

The Supervisor shall provide a resolution or reasons for non-resolution within ten (10) days of the conclusion of the informal meeting.

2. Step 2 – Reduce to Writing – Immediate Supervisor

If the grievance cannot be resolved at Step 1, the grievant will present the Supervisor with Step 2 of the written grievance within ten (10) days of the Supervisor's resolution or reasons or non-resolution noted above and the Supervisor will respond within ten (10) days of the receipt of such grievance.

ARTICLE 24

GRIEVANCE AND ARBITRATION

The written grievance will be sent to the appropriate District Administrator responsible for contract administration.

3. Step 3 – Superintendent or Designee

A grievant who has not been able to resolve a grievance with the immediate Supervisor, may appeal the decision of Step 2 to the Superintendent or designee within ten (10) days of receipt of the written Step 2 response. The Superintendent or designee will hold a hearing within ten (10) days of receipt of the appeal.

Within ten (10) days after the hearing, the Superintendent or designee will render a decision, in writing, which will contain a complete statement of the reasons for the decision if the whole remedy sought by the grievant is not granted. A copy of such decision shall be sent to the Union.

4. Step 4 – Arbitration (to be initiated through Union)

a. Notice

If a grievance remains unresolved at Step 3, the Union may appeal the decision to arbitration if notice is given to the School Board or their designee within thirty (30) calendar days of receipt of the Step 3 decision. It is specifically understood that any appeal to arbitration will be made by the Union on behalf of the grievant.

b. Selection of Arbitrator

The Union and the District may attempt to select an arbitrator mutually.

If the parties have not selected an arbitrator within five (5) days following notice of intent to arbitrate, the appealing party shall request that the Oregon Employment Relations Board (ERB) provide a list of seven (7) names.

The parties shall meet to alternately strike one name from the list until one remains and such person shall be the arbitrator.

The parties will schedule the arbitration hearing on a date the arbitrator is available, within sixty (60) days of the date of the notice of arbitration. If the arbitrator is not available within those sixty (60) days, the parties will select the nearest available date to that time for all parties.

The parties will abide by the voluntary rules and procedures of the American Arbitration Association (AAA) for the conduct of the arbitration. If either party objects that the grievance is not properly before the arbitrator, the parties shall attempt to resolve the arbitrability issue before the hearing through submission of written materials and/or a conference call.

ARTICLE 24

GRIEVANCE AND ARBITRATION

The decision of the arbitrator shall be binding on all parties. The arbitrator shall not be empowered to rule contrary to, to amend, to add or to eliminate any of the provisions of this Agreement. The arbitrator shall render a written decision within thirty (30) calendar days of the close of the hearing or the submission of briefs, whichever occurs later.

Charges by the arbitrator shall be shared equally by the District and the Union.

C. General Procedures

1. The parties agree that they will make an effort to schedule any grievance meetings so as to be the least disruptive to the department or school the employee and their Union representative are assigned to. If a grievance meeting is scheduled during the workday by mutual agreement, the employees involved will not suffer a loss of pay.
2. Time limits at any step may be modified by mutual agreement in writing.
3. The District and its Administrators will cooperate with the Union in the investigation of the grievance, and further will furnish the grievant or their Union representative with such necessary information, as is requested for the processing of the grievance. This provision shall not require the District to arrange for interviews of students or staff by the Union, on or off District time.
4. Failure at any step of the grievance procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the grievance to proceed to the next step. Failure at any step of this procedure to appeal a decision to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
5. A representative of the Union may be present at all steps of the procedure. The Union will be notified promptly of the terms of the final decision or settlement of any grievance.
