#### RESPONSIBLE DECISION MAKING

- IDENTIFYING PROBLEMS
- ANALYZING SITUATIONS
- SOLVING PROBLEMS
- EVALUATING
- REFLECTING
- ETHICAL RESPONSIBILITY

#### AWARE

Students possess the knowledge of post-secondary options and the resources necessary to reach those options.

##### Students know:

- State, public, private, vocational, and military options
- FAFSA/ORSAA process and availability
- Eligibility requirements for the above options
- Scholarship opportunities
- The requirements and courses of study needed for their future plans

#### ELIGIBLE

Students have completed the necessary steps to engage in the post-secondary option of their choosing.

##### Students have:

- Met the requirements of college entrance, including grades, courses of study, and entrance exams
- Developed a plan that details the post-secondary steps needed to reach their future goal
- A plan to either pay for college tuition or support themselves through gainful employment
- Applied to at least one post-secondary institution or job consistent with the application requirements and deadlines

#### PREPARED

Students possess the academic content knowledge and have the personal/social skills to be successful in post-secondary learning or employment.

##### Students demonstrate:

- Developed study and work habits necessary for school and workplace success
- Developed foundational understanding in a wide array of disciplines
- A pattern of established life skills that ensures successful independent living
