

# GLENCOE HIGH SCHOOL GRAPHIC ARTS

Imagine working in the Graphic Arts industry if your favorite subjects are:  
**Art, Writing or Computer Lab**

## IMPORTANT CHARACTER TRAITS TO HAVE:

SELF-  
CONFIDENCE

RESPECT  
FOR OTHERS

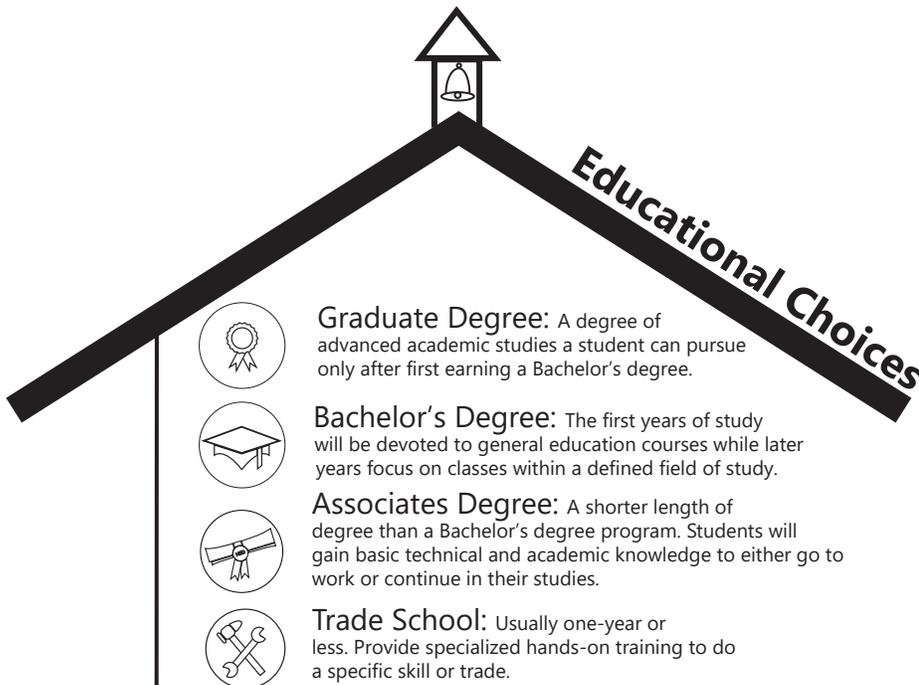

IMPULSE  
CONTROL

COMMUNICATION

SOLVING  
PROBLEMS

## WAYS TO EXPLORE:

### THINK

•Playing the game Minecraft is a good introduction into graphic arts. You learn about something called spatial awareness and how to create 3D buildings. Look up and learn more about what spatial awareness means.

### CREATE

•Companies use logos to provide a visual representation of their company. Create your own personal logo that represents you.

### INVESTIGATE

•Typography is the study of fonts. Knowing which font to use when is important in graphic design. Can you tell the difference between a serif and a sans serif font? How else can you explore in the area of **GRAPHIC ARTS?**
