

HILLSBORO HIGH SCHOOL AUTOMOTIVE TECHNOLOGY

**Imagine working in the Automotive Technology industry if your favorite subjects are:
Stem, PE or Math**

IMPORTANT CHARACTER TRAITS TO HAVE:

SELF-
CONFIDENCE

EMPATHY

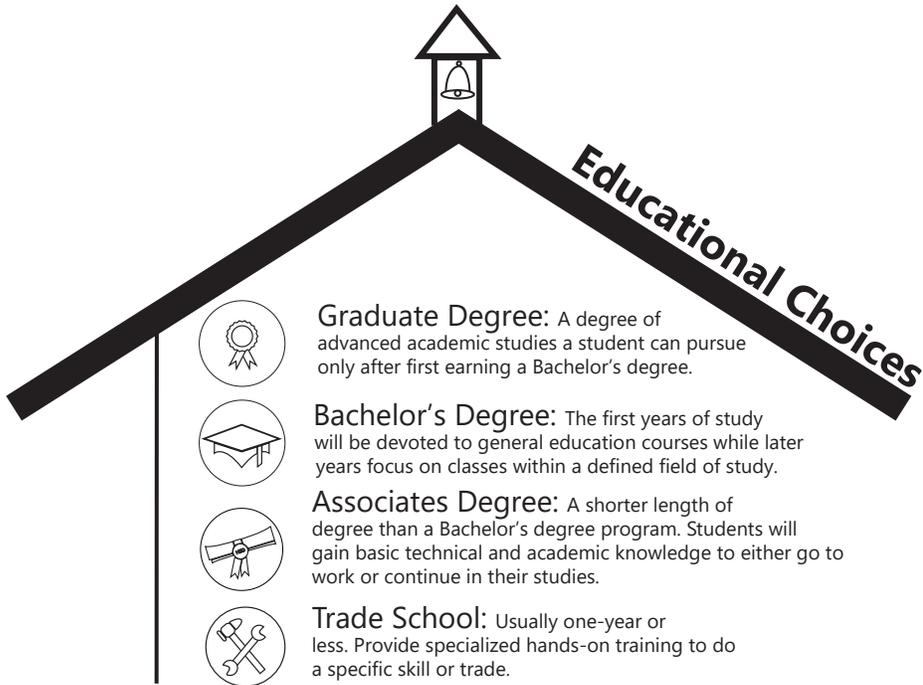

SELF-
DISCIPLINE

RELATIONSHIP
BUILDING

SOLVING
PROBLEMS

WAYS TO EXPLORE:

THINK

- Automobiles have lots of gauges that tell the driver a lot of information. The next time you are in a vehicle, pay attention to the dashboard, you will see the speedometer, the fuel gauge, the temperature gauge, & the oil pressure gauge. Why are all of these gauges important?

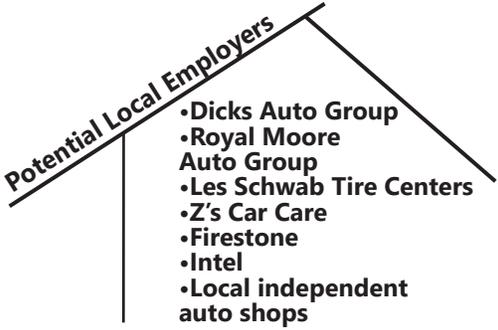

CREATE

- Build your own race car using materials in your house or at school. What will you use to propel your race car?

INVESTIGATE

- What is the fastest car in the world right now? What makes a car fast? How else can you explore in the area of **AUTOMOTIVE TECHNOLOGY?**

AUTOMOTIVE TECHNOLOGY CAREERS	SALARY POTENTIAL	EDUCATIONAL REQUIREMENTS
Mechanical Engineer	\$\$\$\$	
Electrical Engineer	\$\$\$\$	
Electrician	\$\$\$	
Plumber	\$\$\$
