

LIBERTY HIGH SCHOOL CERAMICS

Imagine working in the Ceramics industry if your favorite subjects are:
Art, Writing or Music

IMPORTANT CHARACTER TRAITS TO HAVE:

SELF-
CONFIDENCE

APPRECIATING
DIVERSITY

SELF-
DISCIPLINE

SOCIAL
ENGAGEMENT

REFLECTING

WAYS TO EXPLORE:

THINK

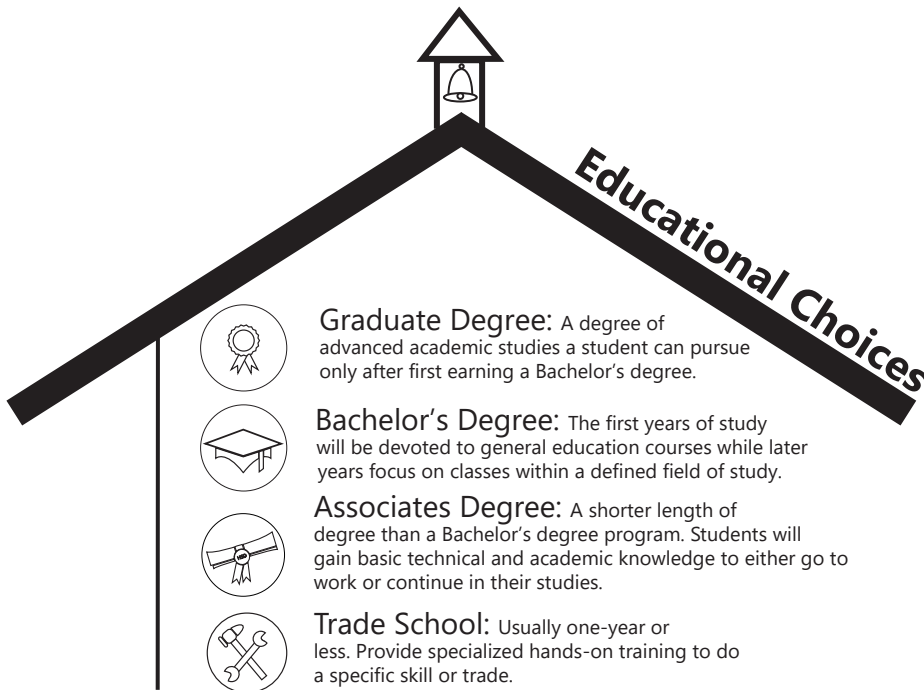

•Which sculptors' works do you like the most? Michelangelo, Rodin or Donatello are some of the more famous sculptors you may have learned about in school.

CREATE

•Use clay to create your own work of art. Practice different techniques such as pinch sculpture or coil building.

INVESTIGATE

•Watch "One Minute in a Museum" videos on YouTube. These videos show famous works of art at the Louvre Museum in Paris. What do you think about the works of art you see? How else can you explore in the area of CERAMICS?
