## **WAYS TO EXPLORE:**

#### THINK

•Creative Writing is a just a collection of words put together to tell a story. Start your own word collection by writing down a list of words that sound interesting to you.

#### CREATE

•Create a list of more exciting verbs to use in your writing. For example instead of using the verb "eat" you could use the verb "gobble." What other everyday verbs can you replace with stronger verbs?

### INVESTIGATE

•Reading is the best way to become a good writer. Discover a new author that you enjoy reading. How else can you explore in the area of CREATIVE WRITING?
