

# LIBERTY HIGH SCHOOL FIRE SCIENCE

Imagine working in the Fire Sciences industry if your favorite subjects are:  
**PE, Science or STEM**

## IMPORTANT CHARACTER TRAITS TO HAVE:

SELF-CONFIDENCE FOR OTHERS

RESPECT

STRESS MANAGEMENT

TEAMWORK

ANALYZING SITUATIONS

## WAYS TO EXPLORE:

### THINK

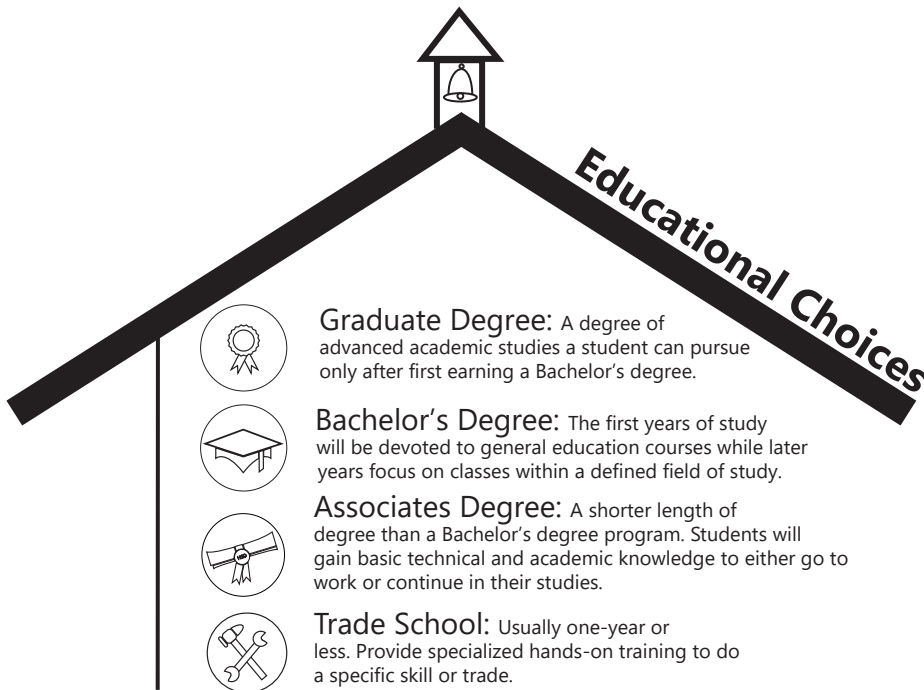

•Think about the people you know in your community that you would like to help. Can you volunteer to help in your city?

### CREATE

•Create a fire safety plan with your family. Determine two ways out of every room in your home. Create a designated meeting place outside your home in case of an emergency.

### INVESTIGATE

•Look in your home for smoke detectors. Make sure the batteries get changed twice a year. How else can you explore in the area of **FIRE SCIENCE?**
